Change Route P. )

Application No. 603

Docket No. 212

In its Application No. 603, filed January 28, 1970, WMA Transit Company proposes a rerouting of Route P as follows:

REROUTED PORTION

Leave from Gateway Boulevard and County Road, north on County Road, east on Walker Mill Road, north on Shady Glen Road, west on Central Avenue, north on Cindy Lane, east on Canyon Drive, north on 78th Street, west on D Street, north on 76th Street, west on F Street and Addison Road, south on Palmer Highway and 63rd Street, N.E., east on Southern Avenue, and west on Eastern Avenue to 63rd Street, and return over the same route.

DISCONTINUED PORTION

Addison Road between Walker Mill Road and Central Avenue, Central Avenue between Addison Road and Cindy Lane, 78th Street between Central Avenue and Canyon Drive, 75th Street between Canyon Drive and Franklin Drive, and Franklin Drive between 75th Street and 78th Street will be discontinued.

The rerouting is being sought as a result of a petition from the residents of Walker Mill Gardens in District Heights, Maryland. Recent improvements on Walker Mill Road and Shady Glen Road appear to the company to make the change desirable. We will schedule a public hearing on this matter and anyone having an interest is invited to attend.

THEREFORE, IT IS ORDERED:

1. That a public hearing on this matter be held in the hearing room of the Commission, 1625 I Street, N. W., Room 314, Washington, D. C., on Tuesday, March 10, 1970, at 10:00 a.m.
2. That WMA Transit Company publish notice of the application and hearing in a newspaper of general circulation in the Metropolitan District, at least once, fifteen (15) days prior to said hearing.
3. That WMA Transit Company shall immediately post notice of the application and hearing in buses operated on the affected route.
4. That persons desiring to be heard on this matter shall so indicate to the Commission, in writing, with a copy to Stanley H. Kamerow, Esquire, 1025 Vermont Avenue, N. W., Washington, D. C., on or before March 5, 1970.
